Invitation for a PCO to host the EPOS Annual Meeting 2018 – 2019 - 2020
EPOS ANNUAL MEETING GUIDELINES
and
other possible educational meetings as the BAT Course and the Advance Course
1. Introduction: Overview and Objectives of the EPOS Annual Meeting

EPOS was founded in 1981, in Paris by a group of 5 paediatric orthopaedic surgeons. The first EPOS meeting was held in Paris and was attended by 13 surgeons. Nowadays the society has more than 350 surgeons spread around the world. During the last few years the EPOS Annual Congress has grown significantly; both in terms of number of attendees (more than 700 pax.) and programme content with more scientific sessions, more poster presentations and industry symposia. All are seen as positive and encouraging changes but they call for an even more professional EPOS organisation in terms of how EPOS plans for the future to ensure that the expectations of our members are met as our society and our meeting continue to grow and expand.

EPOS Mission
To increase the quality of care of children with orthopaedic conditions.
This goal is helped by increasing the communication between professionals dealing with the child, improving the education of those interested in the child care and sharing the advances in knowledge.

EPOS Statutes
Section VI – Annual Congress: the Congress shall be held in a different European country each year. It may be held in any City sufficiently large to be readily accessible by the usual means of transport. The Executive Committee shall appoint a member or group of members from the host country to assist in the organization of the EPOS Congress. At least two years prior to the meeting the host organisers shall present to the Executive Committee their plan and the financial arrangements for the meeting. A designated Councillor shall assist in organisation of the meeting.

Scientific presentations for the Congress will be selected by the Reading Committee. Organisation of the meeting, nomination of appropriate Chairmen, audio-visual and meeting requirements and all recreational activities shall be the responsibility of the host member supported by the designated Councillor.

Members may bring guests to the Annual Congress subject to the limitation of accommodation and to the payment of appropriate dues.

The Annual Meeting is an important component of EPOS strategic plan. Along with being an important source of revenue, the annual meeting presents an opportunity for the members of EPOS and others in the children’s orthopaedics field to share the latest developments in science and practice. The Annual Meeting also allows members of the various committees, sub-committees, and special interest groups to meet face-to-face and further their collaborative work. In addition, the Annual Meeting provides an opportunity to hold one Business Meeting (Board Meeting), and also provides the setting for the EPOS general Assembly. This is an essential component in the association’s governance and an opportunity for members to communicate directly with their Executive Committee.
The Annual Meeting objectives:

- Showcase the latest science, techniques and trends in the field of Childrens’ orthopaedics
- Exchange information about the state of the profession
- Connect members from around the world
- Engage committee members
- Provide the setting for key governance activities of the association

2. Organization Model

EPOS will assume overall responsibility for the organization of the annual meeting and will have final authority on all decisions with a financial impact.

3. Selection of Annual Meeting locations and hosts

The Congress shall be held in a different European country each year. It may be held in any City sufficiently large to be readily accessible by the usual means of transport.

EPOS will invite applications from any National Paediatric Orthopaedic Society or from an individual EPOS Member, provided that the EPOS Member is supported (by signature) by their National Paediatric Orthopaedic Society.

The potential Local Hosts shall present their plans for the Congress to the Executive Committee at least two years prior to the Congress date.

A Congress Advisory Committee consisting of three Board Members and the EPOS Professional Congress Organiser (PCO) will assess the applications to ensure that the preliminary budgets presented are in accordance with the requirements written in the EPOS Cook Book. Members of the Congress Advisory Committee will serve for three years.

The Congress Advisory Committee will then present the approved applications to the Executive Committee. The Board shall present up to three options to the General Assembly at the EPOS annual meeting and the membership will vote to select the future Congress Cities.

This organizational model will permit EPOS to develop meetings in locations of strategic interest to the association to ensure a mixture of solid educational and financial returns for the association.

4. Responsibilities:

The following summarizes the roles and responsibilities of EPOS, Local Organizing Committee (LOC) and Professional Conference Organizer (PCO) in the planning for and conducting of an annual meeting.
A. EPOS:

EPOS will assume overall responsibility for the organization of the annual meeting and will have final authority on all decisions with a financial impact, including but not limited to:

- Overall Budget
- Vendor contracting (PCO, Convention Centre etc.)
- Hospitality
- Marketing
- Global Sponsorship
- Website
- Registration System
- Abstract & Workshop Evaluation System
- Meeting all the compliance regulations (Eucomed, EFPIA and UEMS)
- Provide information to PCO on technical and logistical requirements – as per previous conferences experience
- Provide database of sponsors and exhibitors previous conferences. Set exhibitor fees
- Develop Preliminary and final program in order to meet compliance timelines

B. Local Organizing Committee (LOC)

Collaboration with the local organizing committee remains integral to the success of the annual meeting. The Local Organizing Committee (LOC) structure and composition:

- Maximum 4 persons
- At least 50% of the LOC members must be EPOS members.
- The LOC must nominate a LOC meeting chair. The chair and the LOC should be selected on the basis of their scientific or policy expertise.
- The LOC is NOT responsible for contracting, logistical organization, final decisions on vendor selection, finalizing/organizing social programming, developing the meeting program structure, or approval of the conference budget but will work as an advisor.

The Congress Advisory Committee (CAC) and Local Host Committee (LHC) decide in co-operation with the PCO

LOC will be responsible for the following:

- Announcements to be published on a dedicated EPOS Congress Website and www.epos.org immediately after the previous meeting.
- Define timeline for regular information exchange.
- Location for EPOS Banners in the City and at the Congress Venue.
- Make sure that the official EPOS logo must be used on all congress related material.
- The LHC will be responsible for advising the CAC on all social events (e.g. Lunch, Welcome ceremony, Presidential and Gala dinner)
- The strategy for contact with our Industry Partners should be discussed with the EPOS PCO. A strategic plan should be developed between the LHC, EPOS PCO and EPOS Foundation which takes into account the overall development of the Society and Foundation.
- LHC will be responsible for the Accompanying Persons Programme including e.g. transportation, tour
guide. The Accompanying Persons Programme should be separated financially from the Congress Organization.

- All contracts are signed by the EPOS President and the EPOS PCO. Copy to CAC and PCO

- 1 tiered auditorium or flat room with stage podium for use as the plenary session with up 1000 seats, set in theatre style (Thurs-Sat)
- Two / three adjacent auditoria for approximately 300 pax seats (Thurs-Sat), set theatre style.
- 1 pre-congress room set between 500 people on Wednesday for the Pre-Meeting Course. Set theatre style
- 1 speaker-ready room (Wednesday – Saturday)
- Minimum 3 small rooms (Executive Committee rooms)
1 boardroom with laptop, projector, screen, printer, internet access for Executive Committee meetings (Wednesday – Saturday), maximum capacity 20 people

- 1 staff room (Sunday – Saturday), maximum capacity 10 people

**Main Auditorium**

General:
- One flower decoration adjacent to Speaker’s podium
- Lights settings: Dim light during presentations from Speaker’s podium. Illumination without dazzle on Moderators table during Discussion
- In between sessions: Lounge Music and Poster Titles running on the screen alternating with relevant EPOS Announcements
- Air Condition system must be checked for unacceptable dB

**Speaker’s podium:**
1. Preferred arrangements of the Moderator Table, Speaker’s Podium and Monitor:

   ![Diagram of Speaker's Podium and Auditorium](image)

   2. Podium: Monitor, Microphone, Laser pointer and Timer must be available.
   3. EPOS Poster on Speaker’s podium

**Moderators table:**
1. Moderators table: Name labels, Timer, Microphones, Paper, Pencil and Free access to water
2. Large scale TV monitor (or 2 computer screens) in front of the Moderators Table (note figure above)

**Technical equipment:**

• Social Media support e.g. Facebook, Twitter, Instagram
• Develop an application (App) containing all the information related to the Congress
• Assistant Group of Stewards supported by the Local Organizer e.g. medical students

B. **Accommodations**

EPOS will offer accommodations that range from economy hotels to first class hotels bearing in mind compliance regulations. It is preferred that all hotels are in walking distance so that the expense of providing buses can be avoided.

6. **Financial Structure and Sponsorship**

The annual meeting budget represents the biggest revenue stream for EPOS overall operating budget. This budget will be developed by the PCO and presented to the EPOS Executive Committee.

**EPOS President (EP),**

- No decision will be taken by the EPOS PCO or Local Host without the consent of the EP
- All financial or budgetary decisions must be discussed and then confirmed in writing.
- The financial responsibility for the EPOS Congress rests with the EP.

• **Revenue Sources**

In general, the annual meeting will be supported by the following primary revenue sources:

- Registration: fees will be established to be consistent with previous meetings including categories for regular registration.
- Sponsorship and exhibition.
- Other sources to be explored: EPOS will explore other potential revenue sources, including:
based virtual attendance for some sessions. ?WEBCAST ?

- **Sponsorship**

EPOS will provide a list of sponsors & exhibitors from past conferences

Suggested items to be sponsored in coordination with the EPOS Foundation and part of the “Corporate Partner Opportunities”:

- Multiple levels of sponsorship (Platinum, Gold, etc.)
- Satellite Symposia
- Educational Sessions
- Invited Speaker Sessions
- Oral Podium/Oral Poster Sessions
- Food & Beverage
- Awards
- Congress bags
- Speaker Ready Room
- Lanyards

A more detailed sponsorship plan will be developed for each annual meeting and needs to be developed in keeping with the regulatory requirements of the country where the meeting is being held in cooperation with the EPOS Foundation.

- **Exhibition**

PCO will ensure the venue selected can accommodate up to 500 net square meters normally sold with exhibitors of various sizes. EPOS will have a booth at the conference to provide information about the association and to promote the following year’s annual meeting.

Sample Rates to exhibit are:

- 5.400 € per 9 sqm booth (3x3)
- 10.800 € per 18 sqm booth (3x6)
- 21.600 € per 36 sqm booth (6x6)

- **Registration**

Pre - Course Meeting registrants will need to purchase conference registration to attend the meeting.

All registration fees must be paid in full prior to the start of the annual meeting. The registration fees include:

- Plenary sessions
- Scientific sessions
- Access to the exhibition
- Opening ceremony and welcome reception
- Coffee breaks/lunches
- Congress bags and documents
- **Fee structure** *(example - Registration fees will be charged in euros and by category)*
