Website: www.epos2019.org

OIC Srl is a MedTech Trusted Partner
The European Pediatric Orthopedic Society (EPOS) is committed to education and recognizes that partnership with industry is paramount to develop high-level educational activities.

The EPOS BAT Trilogy Courses (Basic Pediatric Orthopedics I, Pediatric Orthopedic Traumatology and Basic Pediatric Orthopedics II), the Advanced BAT Courses, and the newly introduced Advanced BAT Cadaver/Hands-on Courses are the key educational activities developed by EPOS leadership and EPOS Educational Committee during the past few years.

In an effort to advance patient care and enhance pediatric orthopedic surgery knowledge, EPOS looks to potential industry partner for support of the different educational activities. Industry support and partnership are crucial to allowing EPOS to pursue its mission of education, patient care and research.

In this booklet you will find all relevant information regarding upcoming all EPOS Educational activities for the year 2019 as well as the preliminary program for 2020 and 2021 activities.

EPOS Leadership, Members and Staff of EPOS are proud of the relationships built with industry during the past years and are looking forward to continuing close collaboration. Thank you very much for your support!
CORPORATE PARTNERSHIP OPPORTUNITIES FOR EPOS SOCIETY
In the last years EPOS developed the Educational opportunities, based on the BAT program now well recognized. This program is designed for Basic Education in combination with EFORT as an EFORT-EOTEP accredited course (directed to the residents and the young surgeons that want to start a career in the Paediatric field), to Advance education (directed to Paediatric Orthopaedic Surgeons willing to increase their knowledge in a specific topic) and finally the Trauma (directed to all surgeons involved in the care of trauma).

The attendance to the Basic Trilogy courses has been stable. The average number of surgeons attending each EPOS-EFORT BAT Instructional Course Trilogy event is 109 (range, 80-150). Participants are from all European and non European countries including Egypt, India, Singapore, Saudi Arabia...

For the Advance Courses we have similar participation between 80 to 100 expert participants
EPOS-EFORT BAT Advanced Course Attendance

And for the newly Cadaver Courses started January 2018 we were fully booked. These goals would have been impossible to achieve without the continuous and dedicated support of the Industry.

EPOS is proud to announce the following partnership opportunities for the year 2019. Below you will find a detailed list of all partnership opportunities, including all relevant information regarding each EPOS Educational Activity. A brief description of each activity (topic, date, project leader and details about sponsorship) is provided for your perusal. Please consider that sponsorship is open to multiple sponsors (number may vary depending on the Educational activity).

- II EPOS ADVANCED - CADAVER LAB COURSE
- 6th EPOS BAT INSTRUCTIONAL COURSE TRILOGY (Part I)
- 6th EPOS BAT INSTRUCTIONAL COURSE TRILOGY (Part II)
- EPOS ADVANCED COURSE
- EPOS REGIONAL CORE CURRICULUM COURSE (RCCC)
- EPOS GRANTS
- EPOS ANNUAL MEETING

Different forms of educational support and marketing opportunities are available for the 2019. Supporting one or more educational activities is possible.

If you choose to support multiple activities (two or more), discounted sponsorship rate will be applied.
Companies interested in supporting EPOS Annual meeting + other EPOS events will be recognized as **EPOS CORPORATE PARTNER.**

**BECOME A CORPORATE PARTNER – HOW TO:**

- Support the EPOS Annual Meeting
- Support other EPOS activities by selecting the preferred items from the below list
- On the basis of the total amount of your support you will be recognized as:

SUPPORT REQUESTED:
- Full course: € 20.000,00
- Full day: € 15.000,00
- Half a day: € 10.000,00
March 2019

EPOS REGIONAL CORE CURRICULUM COURSES (RCCC)

Title: TBD
Project Leader: Prof. Ignacio Sanpera (Spain)
Contact email: isanpera@gmail.com

Once a year EPOS organises a 2 to 3 days long meeting in, but not limited to, the peripheral Eastern European countries, bringing in 4 to 6 experts. The goal is to spread general paediatric orthopaedic education to paediatric orthopaedic surgeons and general orthopaedic surgeons in these countries.

Sponsor visibility: Supporting RCCC courses is an unique opportunity for supporting company to discover new markets. The company will be recognized as the major sponsor for the course (logo in all communication documents, all printed materials and a free booth during the meeting).

Main Topic: General Paediatric Orthopaedics & Trauma
Course Location: TBD
Type: Theoretical lectures; hands-on course (workshops)
Level: Basic
Number of attendees: Maximum 150
Workshops: Yes (2 to 4; at least two Faculty members/workshops)
Course Faculty: From 6 to 8
Faculty will be led by Prof. Ignacio Sanpera (Spain) (contact: isanpera@gmail.com)

SPONSOR VISIBILITY

» logo on syllabus, course program, podium

» special personal acknowledgment during the course

Support requested: € 5.000,00
Support for education and research is fundamental for the progression of Paediatric Orthopaedics, and for Paediatric Orthopaedic Surgeons to share knowledge and skills around the world.

**Educational Scholarships**

In every BAT Trilogy, EPOS offers 10 Scholarships to 10 candidates, young orthopaedic surgeons who successfully completed their application and are selected by the EPOS Educational Committee. The candidates’ applications are admitted upon presentation of a CV, motivational statement and recommendation letters.

**SPONSOR VISIBILITY**

- logo on syllabus, course program, podium
- special personal acknowledgment during the course

Support requested: **€ 2.000,00**
Grant per fellow to support a full Trilogy

**Visiting Fellowship**

EPOS organises short Visiting Fellowships in recognised institutions, with 3-5 days duration, for those interested in improving a specific technique or skill. The Fellow spends some time with an Expert, learning a specific technique (for example: spine deformities, sports injuries, bone deformities correction and lengthening, neuromuscular disease, etc) The Centres for training will be quality assured by EPOS. The candidates will be selected by EPOS upon presentation of a CV, motivational statement and recommendation letters.

The Fellows will be required to write a report describing what they have learnt.

**SPONSOR VISIBILITY**

The Visiting Fellowship will be named ‘EPOS Sponsor name Visiting Fellowship’

Support requested: **€ 1.500,00**
Per one Visiting Fellow

**Travelling Fellowships**

EPOS supports two Travelling Fellowships: EPOS to POSNA (Pediatric Orthopedic Society of North America), and EPOS to SLAOTI (Sociedad Latino Americana de Ortopedia y Traumatologia Infantil), allowing European paediatric orthopaedic surgeons to acquire experience in and exposure to North America and Latin America and vice-versa.

Every year, 3 surgeons from Europe travel either to North America or to Latin America. At the same time, 3 surgeons come either from Latin America or from North America. Fellows present the report of their Fellowship at the annual meeting.

**SPONSOR VISIBILITY**

Fellows presentation at the EPOS Annual Meeting will be named the ‘Name of the Sponsor Session’, which will be a part of the EPOS Annual Meeting Program.

Support requested: **€ 10.000,00**
For one Sponsor

**Research Grants**

EPOS supports multicentre research studies and aims to support its members in performing basic and clinical research in all fields of Paediatric Orthopaedics. EPOS Studies are approved by the EPOS Research & Scientific Committee and by the EPOS Executive Committee, once an EPOS Member submits a research proposal that is deemed interesting for EPOS and Paediatric Orthopaedics.

EPOS is also looking forward to start our Research Mentorship Program, in which a less experienced researcher will be able to visit an experienced researcher and work with him/her in developing research activities.

For more information, please contact the EPOS Office: secretariat@epos.org
If you have any questions about opportunities for partnership with EPOS Society and if your company is interested in supporting one or more EPOS Educational Activities please do not hesitate to contact the Industry Liaison Committee (ICL@epos.org) or Federico Canavese (education@epos.org) for informations related to BAT Trilogy Courses and/or EPOS-EFORT Advanced Courses.

For all other Educational Activities listed in the booklet, please contact Manuel Cassiano Neves, EPOS-Industry Committee Chair (cassianoneves.manuel@gmail.com) and the Project Leader of the EPOS Educational Activity you are interested in.

**EXHIBITION SPACE** - floor space only (no wall separation)
Two (2) complimentary badges (Company staff badges) per 6sqm are included

- **EARLY FEE** - till 12-31-2018 (included)
  - € 600,00 per sqm

- **LATE FEE** - From 01-01-2019 (included)
  - € 700,00 per sqm

**TOT SQM**

Please, indicate any Exhibitor/Company you would prefer not to exhibit next to:

- Any request regarding your preferred exhibition space will be confirmed according to availability, on a first-come first-served basis.
- The Organizers will make any effort to satisfy your choice; if it has already been booked by another company, we will suggest the closest possible alternative.
- Your reservation is not secure until a non-refundable deposit of 50% has been paid.
- Exhibition spaces are bare floor to be furnished. All extra requirements, e.g., special decoration, extra lighting, furniture, carpeting, office equipment, should be ordered separately.

- Furniture catalogue and order form will be sent out with the Exhibitor's Technical Manual.

**CONCURRENT SESSIONS AT EPOS** - Open to multiple sponsors

- € 6.000,00

**INDUSTRY SYMPOSIA** only for Corporate Partner Gold level or higher

- € 8.500,00

Including:
- room rental (in standard set-up)
- standard AV equipment (projector, laptop, and wireless presenter/microphone).

Industry symposia will be reserved to Corporate Partners; slot assignment will be made in relation of the sponsor level (Diamond sponsor will have first priority choice, than Platinum as second and Gold as third). The Organizers will make any effort to satisfy your choice related to the symposium slot you prefer.

If it has already been booked by another Company, we will suggest the possible alternative.

Travel, accommodation, registration fee and any speaker/moderator’s expenses are not included.
