EPOS 40th Annual Meeting in Copenhagen, April 6th-9th, 2022.

Which city could be closer to the world of children than the one of the fairy tale writer Hans Christian Andersen?

Copenhagen has a multitude of districts, each one with its distinctive character and representing its own period.

The city with its sea, restaurants, parks, attractions, infrastructures has grown up fast over the last 15 years and serves as the cultural hub of Denmark and wider Scandinavia.

Copenhagen, one of the most fascinating Capital of Northern Europe with its fairy atmosphere steeped in history will be the frame of our Annual Meeting. EPOS Meeting is ready to land to this exciting city, ideal bridge between the north and the middle old Europe, with its luggage of knowledge, scientific accuracy, warm and friendly relationships.

Copenhagen 2022 will be a magic and unforgettable Meeting. The city where we will finally meet each other again!

Don't miss this chance... We are waiting for you!
